College Building

The Ghana College of Physicians and Surgeons was established by Act 635 (2003) of Ghana's Parliament, with objects to:

1. Provide specialist education in medicine, surgery and related disciplines,
2. Promote continuous professional development in medicine, surgery and related disciplines,
3. Provide and coordinate education and research in medicine, surgery and related disciplines; and
4. Contribute to the formation of policies on sound health and public health generally.
